

Structure

1. In which country is your port located?
2. Under whose jurisdiction is the port?
 - Municipality
 - State
 - Private Company
 - Other, please specify:

If you have selected the option 'Other, please specify', please specify here:

.....

3. What is the geographic location of the port?
 - Estuary
 - Coastal
 - Coastal: Marine Inlet
 - Coastal: Embayment
 - Coastal: Protected Coast
 - Coastal: Engineered Coastline
4. About your organization
 - What is the surface area of the port? ha
 - The area of jurisdiction of the water/water lot? ha

5. Please explain the board configuration:

.....

.....

6. Please explain in a few words the governance model:

.....

.....

7. What is the economic impact of the port (direct, indirect, and induced)?
 - Direct: Millions of Euros
 - Direct: Regional GDP %
 - Indirect: Millions of Euros
 - Indirect: Regional GDP %
 - Induced: Millions of Euros
 - Induced: Regional GDP %

8. How many jobs are generated by port activity directly?

- jobs

9. How many employees does the port authority have?

- employees

10. Which associations is the port authority linked to?

- AAPA – American Association of Port Authorities
- ASEAN Ports Association
- EFIP – European Federation of Inland Ports
- ESPO – European Sea Ports Organisation
- Green Marine/Alliance Verte
- IAPH/ WPSP – International Association of Ports and Harbors/World Ports Sustainability Program
- Other, port associations. Please specify:
- Other relevant general associations/stakeholders. Please specify:

If you have selected the option 'Other port associations. Please specify', please specify here:

.....

If you have selected the option 'Other associations/stakeholders. Please specify', please specify here:

.....

11. What are the uses of the surrounding land territories? Please indicate the percentage of each type of applicable territory

- Agricultural land: %
- Conservation/protected areas: %
- Forestry/woodland: %
- Water bodies (lakes, rivers, reservoirs): %
- Urban/City: %
- Industrial: %
- Recreational: %
- Other, please specify: %

12. What are the coastal and marine characteristics in the port jurisdiction?

- Protected Areas/Particularly Sensitive Sea Areas
- Protected Areas/Particularly Sensitive Sea Areas: Mangroves
- Protected Areas/Particularly Sensitive Sea Areas: Coral Reefs
- Protected Areas/Particularly Sensitive Sea Areas: Archipelagos/Islands
- Sea Walls/Coastal Defence
- Dune Systems
- Boulders
- Cliffs
- Rocky Foreshore
- Tidal Flats (mud)
- Offshore Islands
- Offshore Banks
- Rivers
- Sand Beach
- Shingle Beach
- Salt marshes
- Other, please specify

If you have selected the option 'Other, please specify', please specify here:

.....

13. Is your port subjected to exceptional climatic phenomena?

- Yes, it is impacted by: Hurricanes/tornadoes
- Yes, it is impacted by: Tsunamis
- Yes, it is impacted by: Earthquakes
- Yes, it is impacted by: Droughts/low water levels
- Yes, it is impacted by: Floods/extreme sea level rise
- Other, please specify:
- No

If you have selected the option 'Other, please specify', please specify here:

.....

14. What are the main commercial activities of the port? Please indicate the percentage of each applicable commercial activity

- Ship repair; marine engineering: %
- Petroleum product processing: %
- Chemical industry: %
- General manufacturing: %
- Marinas / Leisure: %
- Dry bulk: %
- Dry bulk, specifically aggregates (e.g. sand, gravel): %
- Dry bulk, specifically from the agri-food sector (e.g. cereals): %
- Liquid bulk: %
- Liquid bulk, specifically petrochemicals (Petroleum; Oil products): %
- Fish market and processing: %
- Storage and packaging: %
- Refrigerated cargo: %
- Trade cars Vehicles: %
- Perishable goods / Daily consumer goods: %
- Ro-Ro and Ro-pax: %
- General cargo: %
- Container: %
- Passenger activities: %
- Other, please specify:

If you have selected the option 'Other, please specify', please specify here:

.....

15. What is the yearly cargo throughput?

- mill Tons/year
- number of containers

16. How many passengers pass through the port per year?

- Ferry passengers: thousands/year
- Cruise passengers: thousands/year
- Not applicable

17. What is the share of agri-food products and fresh products in the total annual port traffic?

- agri-food products: %
- fresh products: %
- Not applicable

18. How is the sustainable development management of the port organized?

- There is a designated employee in charge
- There is an external consultant
- There is a sustainable development department
- There is a sustainable development Committee
- There is a sustainable development working group
- Other, please specify

If you have selected the option 'Other, please specify', please specify here:

.....

19. What is the number of IUCN Red List species and national conservation list species within habitats affected by the port operations, by level of extinction risk?

- Critically endangered:
- Endangered:
- Vulnerable:
- Near threatened:
- Least concern:
- We do not have this data

20. How has the Port implemented the United Nation's Sustainable Development Goals (SDGs) and/or the AIVP Agenda 2030?

- Analysed and identified the most relevant goals of the SDGs / AIVP Agenda 2030 and underlying targets that the port can positively contribute to
- Aligned existing sustainability reporting statistics with the SDGs/ AIVP Agenda 2030
- Set specific improvement goals to help achieve the SDGs/ AIVP Agenda 2030
- Developed outcome indicators to help monitor the port's contributions to achieve the SDGs/ AIVP Agenda 2030
- Engaged with governmental bodies or other relevant stakeholders to identify how best to achieve the relevant SDGs/ AIVP Agenda 2030
- Other, please specify
- None of the above

If you have selected the option 'Other, please specify', please specify here:
